Rotary Cricketing Fellowship

Bob Brigden gave a very insight into his recent Rotary Cricket tour in India. We all look forward to hearing much more about this trip!

Guest Speakers

Ian Haines introduced the two guest speakers, Nabil and David, who were sponsored by the Club to attend the recent RYLA course. Ian strongly supported the concept and benefits of RYLA, and encouraged the Club to continue its involvement with the project.

Nabil began his presentation - "My Journey" - by giving a background to his family and life in Malaysia, where his family still lived. He arrived in Adelaide in 2013 and began his degree course at UniSA. He is now studying a Masters in International Business, and is heavily involved in volunteering within the community.

Nabil gave his audience a comprehensive insight into the daily activities at RYLA, and the benefits he gained from the content of the week, as well as the friendships he formed. He found his experience to be life changing, and thanked the Rotary Club of Norwood for sponsoring him.

David honestly stated that a friend had coerced him over a couple of weeks to put in an application to be part of RYLA. He is now very grateful to that friend for encouraging him to apply, and the Rotary Club of Norwood for supporting him. While he is naturally a very shy person, he found that the experience gave him the opportunity to look at the wider picture, and helped him to make many new friends.

David has just secured a teaching job at the Valley View High School, and is now taking other challenges such as Vice President of the Rotaract Club of Sturt, and he recently spent time in Cambodia as a volunteer, building a house in a local community, volunteering at the Cambodia Wildlife Centre, and teaching English at a local school.

Ian Haines thanked both presenters.

Raffle

Gabby's Raffle was drawn, and Pat Brown was the worthy recipient!

Meeting Closure

President Graham closed the meeting at 7.45pm, and members and guests adjourned to the restaurant for dinner and fellowship.

He closed the meeting with the following thought for the day;

Mickey Rooney said, 'You always pass failure on the way to success'

Extract from "The Herald"

February is World Understanding Month

The month of February is very special in the Rotary calendar since it is designated World Understanding Month.

The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day. World Understanding Month is a chance for every club to pause, plan and promote the Fourth Avenue of Service - Rotary's continued quest for goodwill, peace and understanding among people of the world.

So in February, each of us has an opportunity, and in some ways an obligation, to reach out to our neighbours near and far; to assist with assimilation in our communities, to assist with understanding between cultures and races and to serve Rotary and our communities in Peace and Understanding.
