Guest Speaker

Euan introduced Josh Richards the Charter President of the Rotoract Club of Sturt. Josh also serves on the RYLA committee and the committee to organise the Youth Parliament.

Josh explained that the club were developing a vision for their club. At the moment they are seeking to develop three ideas. The first two follow and the third is still to happen.

1 They are interested in organising an event similar to the St Vincent de Paul CEO Sleepout to help provide funds to combat homelessness.

2 They will be looking at funding a project in Cambodia, particularly with the elephant park.

Josh then commenced the meeting of the Rotoract Club which David Gambell chaired.

Tryphena led a debrief about the catering of their Charter night. Steph mentioned that their Facebook page had been contacted by Tim Leeder seeking funding for a project in Cambodia. They spoke about the various Rotary and Rotoract Changeovers they had been invited to. Josh presented name badges. AG Don Will explained the arrangements about visiting a sponsor club on the third week of every month. Euan Miller advised them of contacts with UniSA and the City of Campbelltown that could prove helpful.

Raffle

President Graham then conducted the raffle which was won by Tryphena

Meeting Closure

President Graham thanked all members for attending, and reminded them of the Norwood club change over meeting next week.

He then closed the meeting with the following quote from Mother Teresa

'I can do things you cannot, You can do things I cannot, Together we can do great things.'

Rotary Fellowships Month

The last theme month of the Rotary year is fellowships. Living in Chicago, Paul Harris created Rotary to foster the same fellowships he had experienced in the small towns of his youth. And in 1905, he chose four good friends, Gustavus Loehr, Silvester Schiele and Hiram Shorey to join him (pictured). As a result, fellowships have always been an important component in Rotary.

While individual efforts focus on individual needs, combined efforts serve humanity. The power of combined efforts knows no limitation; it multiplies resources and broadens our lives and perspectives. Fellowship leads to tolerance and transcends racial, national and other boundaries.

Did You Know?

The average age of the first 4 Rotarians was 38 years. Rotary was founded by young men!
