[Hat Day](#) is Australian Rotary Health's national fundraising and awareness day for mental health research, celebrated each year on World Mental Health Day - Friday October 9, 2015. Since the inaugural Hat Day in 2011, Hat Day has claimed two Guinness World Records (most people wearing paper hats & most people wearing red hats). The burning question is do you want to appear in Print?

As you will be aware Rotary Down Under has started a couple of new features, My Rotary Moment and The Burning Question?

The magazine is looking for contributions to both. Up until now many of the contributors have been Rotary leaders but we really want club members to promote their Rotary Moments and also to answer the monthly burning question? You only need to write around 200 words for each. RDU likes to have the burning question answered in the following issue which means the deadline is around the 17th of each month. With the current delivery cycle this doesn't give you much time to read the question and then write the answer. RDU is examining ways of delivering the magazine much earlier, but if you really want it early just download the free RDU app. In this way you get the magazine (and the Rotarian) on the 1st of every month. You would like to write something for RDU about yourself or the club, but feel you might not have the talent? Just list some bullet points and send them to me and together we can whip up something that is both newsworthy and entertaining.

If you have any concerns or ideas about our magazine or RDU Supplies, please don't hesitate to get in touch with me. It is my job for the next 3 years to represent your interests and all the clubs' interests in D 9500 and 9520. You will have seen that we are trying to make the magazine more practical in its focus and help with everyday club issues.

Regards Euan Miller, Board Member 2015-18 D9500 and D9520 euan@gdaysa.com.au 0401 124 387
