## Extracts from The Herald

22<sup>nd</sup> March was WORLD WATER DAY all over the globe, however Rotarians show their commitment to the cause of clean, safe water as ongoing.

### **A Rotary Grant brings clean water to thousands in Ghana.**

These young people now have a secure supply of water for drinking, cooking, washing, and sanitation purposes. The Rotary Foundation transforms your gifts into projects that change the lives of many, improving their quality of life both now and into the future. The numbers are astounding when we consider the impact of unsafe water alone. 748 million people in our world live without access to clean water. Unclean water is a direct cause of debilitating disease and death. In the above example in Ghana 70,000 people will directly benefit from this one project providing clean water.

The Rotary Foundation is the charitable arm of Rotary, and your contributions empower Rotarians to challenge disease, poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

This is now my segue into **The Rotary Foundation Breakfast on Saturday 30<sup>th</sup> April 2016 at the Renmark Hotel, 6.45am to 8.00am.**
