NOTICES

BBQ

Can members please note the dates of the BBQs which are all listed in the Bulletin and see if you are able to assist on any of those dates – and locking diaries down now. These are currently our major fundraiser and we do need your support where possible. Numbers to support the BBQs has diminished and the more support I need to garner from other Clubs the less money for distribution to our Club.

HISTORICAL WALK – commencing at 6.30 sharp.

As there are 5 Wednesdays in January our next meeting will be on 30 January. For this meeting we are going to undertake an historical walk around Norwood (western area)

Members are to meet at Café Sfizio on the corner of Osmond Terrace and Norwood Parade at 6.00 p.m. for a 6.30 start. Once the historical walk has been completed, we will convene at Café Sfizio where members can choose to have food and/or drinks.

INFORMATION NIGHT

The meeting on 6th February will be an information night to be held at the Kensi. All members are encouraged to think about encouraging someone to come along and listen to what we as a Club do.

MEETING FOR 20 FEBRUARY 2019

As the room is not available to use on 20 February, Committee meetings will be held off site – Directors will advise each committee of a venue.

MEETING ON 6 MARCH 2019

We have been fortunate to get a speaker from South Australian Health and Medical Research Institute (SAHMRI), namely Associate Professor Ville-Petteri Makinen. The topic will be "current status of research into Alzheimer's". I am sure that this will be of great interest to many in the club.

LATIN FIESTA

Euan Miller briefed the meeting on details so far for the Latin Fiesta to be held on Saturday 30 March. Flyers are being finalised. Closer to the event a request will go out for volunteers to man the bar and the door. It is key we maximise support from the Club for this event which will be a major fundraiser.

GSE (GROUP STUDY EXCHANGE)

Euan briefed the meeting on arrangements to date. He will be contacting our members who volunteered to host a GSE member for the week that our Club is hosting them to finalise arrangements. We are still seeking another member who could be a host for a GSE member. If you can do this please contact Euan.

SPEAKER - BRIEF ON THE BOLIVIAN PROJECT

Tess Henwood-Mitchell, International Director of TIA, briefed the Club on the current status of our Bolivian project. To recap TIA's mission is to empower young people to successfully transition from State care into independence and to make a positive change in their community.
